

# Fabulous FAR WEST REGION Associate Jewels

January 2016

Welcome Associates of the  
Fabulous Far West Region of Jack and Jill of America, Inc.

**Dr. Emma Turner**

Dear FWR Jewels,

Thank you soooo much for those of you who continue to give me associate articles and photos to publish. If you see the same associate groups over and over again, it is because these associate groups are giving me material to publish.

Associate Jewels of the Far West, you are the best and I look forward to hearing from all of you soon.

Special thanks to associates who are volunteering to participate in the mothers away from home program. Don't forget to send me articles and pictures of your outings with your sponsored college student.

# REGIONAL ASSOCIATES

**'Tis the Season to be Jolly and Giving. This is just what the Pasadena Jewels did before Christmas for the residents at the Union Station Homeless Services Family Center in Pasadena California. The Homeless Center offers a "safe, nurturing place for homeless parents and children to rebuild their lives and achieve self-sufficiency. Families with children are one of the fastest growing groups among the homeless population. In Pasadena, more than 1 in 10 homeless persons is a child."**

**The Pasadena Jewels were happy to provide delicious baked goods for the families. Baked goods were prepared in their kitchen to have the kitchen permeate with the smells of homemade desserts. Also many ladies brought delicious baked goods to share with all. Along with the desserts we supplied recipes for some of the cookies, so when the residents transition into a more permanent home they can take the recipes with them. The families and staff appreciated and enjoyed all of our delicious desserts. The Pasadena Jewels were featured on the Union Station Family Services Facebook page on December 24. Attached are some of the recipes and photo of the day. We plan to make this an annual holiday dessert baking day.**
